

Your Agreement to the Terms

By using this website, you agree to the following terms and conditions.

Refunds

We will offer no refunds as all IOTA transactions are final. We may refund if a payment has not arrived into your IOTA seed account, due to an error on our side, but this is unlikely as addresses are derived directly from your seed.

Liability

This service is provided as-is. There may be temporary service disruptions, even though we strive for 99.9% uptime. We hold no liability and you agree not to engage us in legal action.

Security & Privacy

We put extreme care into making this site secure. However, it is your responsibility to always save your seed and transfer to a private account of yours the funds you receive through the site. We will only give out your data if required to do so by a legal order.

Changes

We reserve the right to change this TOS document. We would email you if we decide to do so.

Thank you!
